ABOUT US

HEALTH, SAFETY & ENVIRONMENT SOFTWARE

Replacing Many folders with One

Welcome to Papka.io, a leading innovator in Health, Safety, and Environment (HSE) software solutions. Founded by a team of passionate experts in safety management and software development

OUR MISSION

At Papka.io, we are dedicated to revolutionizing the way businesses approach HSE management. Our software simplifies compliance, enhances safety culture, and ensures that all health, safety, and environmental protocols are met with ease. We believe that effective HSE management is key to protecting workers, the environment, and business continuity.

OUR VISSION

We envision a world where every business, regardless of its size, can access powerful HSE tools that help prevent incidents, reduce risks, and promote a safer, healthier workplace. Our goal is to make advanced HSE management accessible to all, fostering a culture of safety and sustainability in the workplace.

WE ARE ON THE BRIGHT SIDE

WHAT IS UNDER THE HOOD

HSEQ TOOLS

We've brought together the best HSE tools, and made them work seamlessly

01**OBSERVATION**

Empowering you identify & address unsafe acts conditions effectively

05**AUDITS & INSPECTIONS**

Facilitate efficient inspections & audit management, fostering comprehensive oversight & seamless regulatory compliance.

02**RISK MANAGEMENT**

Our Risk Assessment online tool helps you to capture, assess and mitigate risks more efficiently than ever before.

06**INCIDENT MANAGEMENT**

Streamline incident reporting, investigations & knowledge sharing with our comprehensive incident management tool.

03**DOCUMENT MANAGEMENT**

Collaboration & ensuring seamless version control of your company knowledge base. Organize, share, and access documents in real-time.

07**MEDICAL CONSULTATIONS**

Effortlessly manage Medical Consultations at the Worksite. Comprehensive documentation of consultations along with powerful reporting and customizable dashboards.

04**PERMIT TO WORK**

Control hazardous work activities, ensuring that proper precautions are taken to protect personnel, asset, and the environment.

08**JOURNEY MANAGEMENT**

Effortlessly plan, monitor, and ensure the safety of all your journeys — from daily commutes to critical business travel.

TOOL 1

EYES ON SAFETY

OBSERVATIONS

By encouraging regular observation reporting, organizations gain a deeper understanding of workplace dynamics, fostering a culture of safety and continuous improvement.

ADDED VALUE

- PROACTIVE HAZARD IDENTIFICATION
- ENGAGEMENT & EMPOWERMENT
- INCIDENT PREVENTION
- DATA-DRIVEN DECISIONS
- EFFICIENT RESOURCE ALLOCATION
- CONTINUOUSLY IMPROVING WORK PRACTICES
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

Unsafe Conditions

Circumstance or situation within a workplace that poses a risk to the health, safety, or well-being of individuals.

Unsafe Actions

Behaviors or activities within a workplace that deviate from established safety protocols, posing a threat to the health and well-being of individuals.

Positive

Commendable behaviors, practices, or conditions within a workplace that contribute to a safe and healthy environment.

Other

Wide range of workplace insights that don't fall specifically under above categories. Even any noteworthy aspect not directly related to safety concerns.

TOOL 2

PREVENTION IS CHEAPER

RISK MANAGEMENT

Safeguard your business with Papka's cutting-edge risk management solutions tailored for success.

In today's fast-paced business landscape, proactive risk management is non-negotiable. Papka is your all-in-one solution, providing a comprehensive platform to identify, evaluate, and mitigate risks seamlessly. Elevate your risk management strategy to secure a resilient future for your business.

ADDED VALUE

- INCIDENT PREVENTION
- REGULATORY COMPLIANCE
- REDUCED OPS DISRUPTIONS
- DATA-DRIVEN DECISIONS
- PROTECTION OF ASSETS & RESOURCES
- IMPROVED EMPLOYEE MORALE
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

TOOL 3

SINGLE SOURCE OF REFERENCE

DOCUMENT CONTROL

Consolidate your information, eliminate redundancy, and ensure accuracy with Papka's document management solution - your single source for easy reference, fostering efficiency and reliability across your organization.

ADDED VALUE

- IMPROVED COLLABORATION
- AUDIT TRAILS & ACCOUNTABILITY
- UP-TO-DATE INFORMATION
- STANDARDIZATION
- REGULATORY COMPLIANCE
- PHYSICAL STORAGE NEED REDUCTION
- ERROR REDUCTION
- ENHANCED SAFETY CULTURE

Collaborate

Share documents, folders, sections or even the whole account with four permission levels: Upload-Only; Preview-Only; Preview & Download and Editor.

Audit Trails

Full audit trails of all events in the system. You can filter by date, user and action. And you can export the logs to Excel or CSV file at any time.

Powerful Search

A powerful live-search function is built into our cloud document management software so you can search documents not only by the file name and metadata, like keywords.

File Versions

Stay in command of your documents' evolution & effortlessly track changes, collaborate seamlessly, and ensure that your team is always working with the latest and most accurate information, enhancing precision and workflow efficiency.

TOOL 4

KEEPING IT UNDER CONTROL

PERMIT TO WORK

Streamline your safety processes, minimize risk, and maintain compliance with our e-PTW system – your centralized hub for efficient permit management, ensuring a secure and reliable operation across your enterprise.

ADDED VALUE

- CONTROL OF HAZARDOUS ACTIVITIES
- CLEAR COMMUNICATION
- COORDINATION OF WORK ACTIVITIES
- ACCOUNTABILITY & RESPONSIBILITY
- REGULATORY COMPLIANCE
- EMERGENCY PREPAREDNESS
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

Efficiency

Automate time-consuming administrative tasks associated with the permit issuance process.

Accuracy & Consistency

Minimize human error & ensure a consistency across all operations.

Traceability & Accountability

Get clear, auditable trail of all permit-related activities, including approvals, modifications, and cancellations.

Real-time Accessibility

Access from anywhere, at any time. This accessibility is vital for dynamic work environments where conditions can change rapidly, requiring immediate access to permit information.

Centralized Document

All related documents (like risk assessments, method statements, and isolation certificates) are stored in a single, secure location.

Environmental Sustainability

Eliminate paper, & contribute to an organization's sustainability goals and decrease the carbon footprint.

5 TOOL

INCIDENTS ARE COSTLY

AUDITS & INSPECTIONS

Simplify audit and inspection processes to enhance safety and ensure compliance with regulatory and accreditation mandates.

ADDED VALUE

- RISK IDENTIFICATION
- REGULATORY COMPLIANCE
- INCIDENT PREVENTION
- PERFORMANCE MEASUREMENT
- EMPLOYEE ENGAGEMENT & AWARENESS
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

Audits

Effortlessly plan, execute, and track audits with our intuitive tools, ensuring compliance with industry standards.

Planning

Proactively schedule and manage inspections to identify and address compliance issues before they escalate.

Analytics

Utilize data-driven insights to assess compliance levels, facilitating informed decision-making.

Reporting

Generate comprehensive reports with ease, ensuring transparency and accountability in compliance efforts.

TOOL 6

INCIDENTS ARE COSTLY

INCIDENT MANAGEMENT

At Papka, we understand the critical importance of swift and thorough incident investigations in maintaining a safe and cost-efficient workplaces. Our user-friendly software is crafted to streamline the entire investigation process, empowering you to navigate incidents with confidence.

ADDED VALUE

- ENHANCED TRAINING PROGRAMS
- REGULATORY COMPLIANCE
- COST SAVING
- DATA-DRIVEN DECISIONS
- IMPROVED EMPLOYEE MORALE
- ACCOUNTABILITY & TRANSPARENCY
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

People

Investigate the human factor. Assess employee actions, training, and communication to uncover potential contributing factors.

Equipment

Delve into the role of equipment in incidents. Assess the condition, maintenance, and usage of machinery to identify any equipment-related issues.

Timeline

Construct a detailed timeline of events leading up to the incident. A chronological overview aids in identifying critical moments and potential areas for improvement.

Findings & Recommendations

Identify the root causes forming the basis for effective corrective actions. Formulate actionable recommendations to preventing recurrence.

TOOL 7

WORKFORCE HEALTHCARE

MEDICAL CONSULTATIONS

Effortlessly manage Medical Consultations at the Worksite. Comprehensive documentation of consultations along with powerful reporting and customizable dashboards.

ADDED VALUE

- ACCURATE MEDICAL HISTORY
- EMPLOYEE TRUST & MORALE
- EARLY DETECTION & PREVENTION
- IMPROVED HEALTH PROGRAMS
- EFFICIENT FOLLOWUPS
- OCCUPATIONAL RISK MANAGEMENT
- EMERGENCY PREPAREDNESS
- ENHANCED SAFETY CULTURE

Engagement & Satisfaction

Demonstrate commitment to employee well-being and satisfaction by implementing a modern, digital solution for registering worksite health complaints, fostering a culture of transparency and accountability.

Proactive Approach

Identify emerging health trends and potential hazards early on through data analysis and reporting, enabling proactive intervention strategies to safeguard employee well-being and organizational reputation.

8 TOOL

SAFEGUARDING YOUR TRAVELS

JOURNEY MANAGEMENT

Effortlessly plan, monitor, and ensure the safety of all your journeys – from daily commutes to critical business travel. Stay compliant with HSE regulations, manage risks, track approvals, and enhance safety with module designed for operational efficiency and risk mitigation.

ADDED VALUE

- AUTOMATIC DOCUMENTATION
- REDUCED DOWNTIME:
- IMPROVED COLLABORATION
- FATIGUE MANAGEMENT
- COST SAVINGS
- EMERGENCY PREPAREDNESS
- SAFER WORK ENVIRONMENTS
- ENHANCED SAFETY CULTURE

Centralized Data

Consolidate all journey-related information in one secure platform.

Real-time Accessibility

Gain real-time insights into journey progress, risk factors, and compliance status. Identify potential issues early to ensure safety.

Empower Employees

Give employees the power to manage their journeys, prepare and submit from their workstations.

Streamlined Approval Processes

Automate journey approval workflows for efficient and standardized decision-making.

WHAT IS UNDER THE HOOD

HR TOOLS

We've brought together the best HR modules, and made them work seamlessly
